

DFW has partnered with Bonfire

DFW Airport is transitioning to a new procurement portal using Bonfire Interactive.

This transition has started with Informal Quotes (RFQ) and Request for Bids (RFB) moved to Bonfire.

- **To view and submit a bid for this solicitations you must register and log-in to DFW Airport's Bonfire Hub at (<https://dfwairport.bonfirehub.com/portal/>).**
- **To view current Concession solicitations use the link (dfwairport.com – [Current Solicitations](#)).**

The Airport is transitioning construction solicitations using Bonfire. During this transition, some construction solicitations will be available through Bonfire while, others will be available using the traditional method of posting documents to the Airport Website.

- **Construction solicitations will be available either on the Bonfire platform or at the link (<https://sites.dfwairport.com/business/solitications/>).**
