

# Catering Program

DFW Concessions is exploring options to enhance the current catering program for our key DFW Airport personnel and would **love** to grow our catering team. By joining, you can **increase** your revenue between \$25,000 and \$50,000 and gain exposure to a diverse community within DFW Airport.

## Here are some helpful catering guidelines that will help your location succeed:

- Must offer breakfast
- Must be capable of delivering to the venue
- Must follow the COVID-19 protocols by ensuring all employees are properly masked and by providing disposable serving items
- Provide a reasonable price point per person
- Must be prompt and professional
- Must provide a reliable email and cell phone number with a voicemail that is checked throughout the day and can receive texts

To participate in the catering program and to be added to the brochure, submit a catering menu in pdf format that can be made available on our internal website to Luis Yadaicela at [lyadaicela@dfwairport.com](mailto:lyadaicela@dfwairport.com)
